*A natural cleaning product range that cleans effectively, safeguards your health & protects the environment*

### An All-Rounder

Our products are made from all natural ingredients combined in different proportions based on the sanitation needs & cleaning strength.

Conventional, synthetic household cleaners often contain & emit toxins, VOC's, some of which (such as 1,2-Dioxane) are carcinogenic & harmful our health & Earth. Our products clean effectively, while protecting you and the environment. And they help save water too!

## Product Range

### Natural Cleaners

- Laundry Cleaner
- Baby Clothes Cleaner
- All-purpose Cleaner
- Floor Cleaner
- Surface Stain Remover
- Glass Cleaner
- Toilet Cleaner
- Wool & Silk Clothes Cleaner
- Veg n Fru Cleaner

### Benefits

At the heart of our being is Sustainability; of people & planet. Not just from an environmental perspective, but an economic & well-being perspective too. We source directly from the farmer, get our ingredients made from self-help groups & youth to promote employment. We are conscious about our packaging & delivery models. And we strive hard to ensure that we deliver natural & healthy products to you.
